Dear Chairman Martin,

The Foundation for Mental Health, founded in 1999, is a not-for-profit advocating on behalf of people with a psychiatric disability. Annually we host a lunch in May, mental health month, to bring awareness of mental health issues to the general public.

This year our media sponsor was WTIC-FM. During the entire month prior to our event held on May 19, announcements were made about our event on Craig and Company in the morning drive time slot. Additionally, Lorraine Bracco, our keynote speaker for the day was interviewed on WTIC-FM on Tuesday, May 13, also during the early morning drive time slot.

The Foundation for Mental Health could not have asked for better support from Gary Craig and WTIC-FM.

Sincerely,

Diann Wienke
President
